DOCUMENT 7 – SERVICE LEVEL COMMITMENT

- Target uptime of 99% annually, excluding scheduled maintenance, third-party service outages, domain registrar issues, or force majeure events.
- Standard support response time: 24–48 business hours from receipt of request.
- Critical service issues (website downtime) will be prioritized and addressed within 24 business hours.
- Hosting environment monitoring and basic security supervision included during the active service agreement period.
- Annual domain and SSL renewal coordination included (registration fees charged separately as applicable).

DOCUMENT 8 – AGREEMENT EXTENSION & RENEWAL

Upon completion of the initial 3-year term:

- The service agreement may be extended on mutually agreed terms.
- Hosting and maintenance fees may be revised based on prevailing market and infrastructure costs.
- Renewal will be confirmed in writing prior to agreement expiry.
- Domain renewal will continue annually as per applicable registrar charges.

Unless otherwise notified in writing 30 days prior to expiry, services may continue under renewed terms.

DOCUMENT 9 – CONTRACT TERMS

Payment Structure

- 30% advance to initiate development
- 50% upon design & layout approval
- 20% prior to website launch
- Launch cost payable before go-live
- Monthly hosting & maintenance billed in advance
- Minimum 3-year service agreement

Early Termination

- In case of early termination during the 3-year agreement period, the client shall settle the remaining hosting commitment applicable to the active contract term.

Payment Default

- Payments delayed beyond 7 days from the due date may result in temporary suspension of hosting services until outstanding dues are cleared.
- Continued non-payment beyond 30 days may result in permanent service suspension without liability to the service provider.

Taxation

- All commercial figures are exclusive of applicable GST.
- GST shall be charged at prevailing statutory rates and reflected in tax invoices.

Domain & Hosting Governance

- The domain shall be registered in the client's name unless otherwise agreed in writing.
- Hosting infrastructure and server management remain under the scope of the active service agreement.
- Hosting access credentials may be restricted during the contract term to ensure service integrity.

Intellectual Property & Ownership

- Ownership of the website source code and design assets shall transfer to the Client only upon full payment of all development dues under this agreement.
- Third-party tools, plugins, hosting services, or licensed components shall remain subject to their respective licensing terms and conditions.
- The Service Provider reserves the right to display the completed project in its portfolio and marketing materials unless otherwise agreed in writing by the Client.

Cancellation & Refund Policy

- If the Client cancels the project before development work has commenced, the advance amount shall be refundable after deducting 15% of the total development value towards administrative and consultation charges.
- Once design approval has been provided or development work has commenced, payments made shall be non-refundable.
- Payments made towards hosting, domain registration, third-party services, or government fees are strictly non-refundable.

Limitation of Liability

- The Service Provider shall not be liable for any indirect, incidental, special, or consequential damages arising from website usage, hosting interruptions, third-party service failures, domain registrar issues, cyber incidents, or circumstances beyond reasonable control.
- In no event shall the total liability of the Service Provider exceed the total development fees paid by the Client for services directly performed under this agreement.

Data & Security Disclaimer

- While reasonable security measures will be implemented, absolute protection against cyber threats, unauthorized access, or data breaches cannot be guaranteed.
- The Client is responsible for maintaining secure passwords, safeguarding administrative credentials, and controlling authorized access.

Data Handling & Responsibility

- Information submitted through the website contact form shall be forwarded to the Client via email or stored in the configured system for business communication purposes.
- The Client shall be responsible for handling, storing, and using such data in compliance with applicable data protection laws.

Force Majeure

- The Service Provider shall not be held liable for delays or failure in performance resulting from events beyond reasonable control, including but not limited to natural disasters, government actions, internet outages, cyber-attacks, infrastructure failures, or acts of third-party service providers.

Governing Law

- This agreement shall be governed and construed in accordance with the laws of India.
- Any disputes arising shall be subject to the jurisdiction of the competent courts in Siuri.
